Hello!

We want to thank you again for allowing us to be a part of creating your estate plan. We're approaching the anniversary of the creation of your Revocable Living Trust and wanted to remind you that you have one more month of changes along with the other services in the legal plan. If you have any changes you wish to make to any of your trust documents, please request them now while you are still in the legal plan. Your legal plan membership states that this legal plan automatically renews with an annual renewal fee of \$125 (that equates to less than \$11 per month) which most of our clients think is a fantastic deal! For that low price, you receive access to a network of more than 15,000 lawyers nationwide for legal advice on a myriad topics from litigation, demand letters, eviction notices, document review, etc.

If you choose not to renew your legal plan, please notify us prior to the end of the month and we will cancel the renewal. As a matter of policy, this legal plan can be cancelled at any time. Remember, you can always call us, without charge, to ask questions about your estate plan. It's our pleasure to serve you.
